- **District:** 1
- **Architect/Engineer:** Little Diversified
- **Contractor:** Lego Construction
- **Project Manager:** Zulficar Ghanie
- **Project Budget:** \$32.1 M

Project Description:

Comprehensive renovation and remodeling of the entire campus to provide improved facilities meeting Orange County Public Schools' Design Guidelines and educational program requirements. The project scope includes all renovations needed to address current deficiencies and upgrade all building and site facilities, systems, and finishes at or near the end of their useful life; remodeling of existing spaces to support current program, life safety, and accessibility requirements; and any temporary facilities and classrooms required to support construction phasing.
