

21st Century Community Learning Center
Zellwood Elementary
3551 Washington Street
Zellwood, Florida 32798
407-884-2258

We will be continuing the 21st Century program for the 2019-2020 school year! The program provides academic assistance and enrichment for students in grades 2 - 5. In addition, students in the program receive a meal daily. The program runs Monday - Thursday from 3:30 - 5:30 pm (2:30 to 5:30 pm on Wednesday). Bus transportation can be provided.

The state requirements for the grant mandates that students enrolled in the 21st Century After School program attend Monday through Thursday until 5:30 PM. Please do not pick your child up early or have them miss the program unless there is an emergency. It is imperative that students maintain consistent attendance.

We are now accepting applications for the program from students who were invited to join. The program began in August 2019. At this time we have a waiting list for the program. Please complete an application to be added to the wait list.
